markilux

The sun smiles down on an awning. Life smiles on you under a markilux.

Enjoying feel-good temperatures

Natural light and the sun's rays enrich the quality of life – both indoors and out – in a way that little else can. No artificial light source comes close. But, depending on the sun's elevation and the season, sometimes we can have too much of a good thing. So that you can enjoy all those precious moments without distraction and discomfort, markilux designer awnings protect conservatories, glass canopies and living areas from the powerful rays of the sun. They ensure a pleasant living environment and reliable protection from glare. markilux textile shading systems are as aesthetically pleasing to the eye as they are sturdy. Right down the line. Award-winning. Outstanding.

markilux designer awnings have received a multitude of awards:

| Brand

| for example the markilux 779/879

Reduced to the essence: Free. Time.

Premium quality made in Germany.

For over 50 years, markilux has been developing and manufacturing top-quality solar protection solutions. markilux designer awnings are characterised by their first-rate, multi-award-winning design and innovative technology. The production of awning and cover under one roof is the essence of what markilux “Made in Germany” represents, with the aim of making an al fresco lifestyle comfortable, convenient and enjoyable. With markilux, you can turn your favourite spot outdoors into something extra special. **The best under the sun. Create the most alluring shade in the world.**

markilux quality

The best possible materials and a comprehensive quality management system ensure that every markilux designer awning has a long service life. As a company, markilux is certified in accordance with EN ISO 9001 standards.

markilux functionality

markilux combines innovative technologies and smart solutions to create high-end products. A multitude of accessories and operating options make it possible to individualise your markilux designer awning in line with your own personal wishes.

markilux

markilux service

The combination of a brand product, expert advice and professional installation makes your solution perfect. Qualified markilux specialist dealers provide a comprehensive service and a personal point of contact in your area.

markilux design

It is the perfect combination of form and function that turns an awning into a markilux designer awning. In this respect, markilux relies on its long-standing experience in R&D and design.

Crystal clear:
perfect solar protection.

markilux

Above-glass and Underglass Awnings

Textile ambience

markilux offers more than 200 timelessly beautiful fabric patterns in the highest quality – the decision is yours.

Excellent design

markilux has the awning that matches your home perfectly both from the outside and the inside.

Comfort whatever the weather

Infrared heaters and smart operation technology for all markilux glass canopy awnings ensure comfort is unique and perfect.

markilux

Make the most of the weather however it turns out.

Your home. Your markilux.

Would you like to shade your conservatory in a stylish manner? Are you looking for an awning for your glass canopy which unites impressive functionality and attractive design?

Glass canopy awnings by markilux effectively prevent a build-up of heat: sun rays are absorbed by the cover before they can enter the conservatory. The full room height remains available. If you opt for an underglass awning, the cover is perfectly protected from the wind and weather and numerous lighting options cleverly highlight your favourite spot.

Perfect solutions

Not possible? Of course they are. Together with your markilux specialist dealer you will find the perfect solution for every situation.

This is what we mean by a successful Up-Grade.

A magnificent design that casts its shade wide

The perfect solar shading solution for glass canopies and conservatories. The high-grade above-glass awning markilux 7800 with classic, angular cassette design integrates itself perfectly into the minimalistic, modern architectural building style of today. The sophisticated, long-proven tensioning system and optional markilux tracfix technology provide excellent cover tension – even at larger widths and extensions.

mx _ 7800

Show the sun its limits. The above-glass awning markilux 7800 protects your favourite sitting area from direct sunlight and reduces the build up of heat.

mx _ 7800

On the outside square and chunky. On the inside nicely rounded off.
The design: fantastic. The technology: reliable. Select the awning of your choice to shade conservatories of up to 36 m² – or even much larger areas by using a coupled awning.

In perfect harmony with one another
The classic, angular cassette design, 200 × 160 mm, harmoniously matches the modern shape of your conservatory.

Reliable cover guidance
The markilux tracfix system closes the gap between the guide track and the cover and maintains optimum cover tension.

mx - 8800

Excellent solar protection for areas of up to 36 m² with just one cover.
Even larger glass surfaces can easily be shaded with a coupled awning.

mx _770

Exceptionally compact at only 125 × 125 mm, the square full cassette completely protects the awning cover.

mx _870

With a diameter of just 130 mm, the round cassette harmoniously nestles against the conservatory and provides all-round protection to the retracted cover.

Square. Practical. Unobtrusive.

Both the square markilux 770 awning for installation on top of a glass surface and its round counterpart are quiet. Noise-reducing closing guides ensure the awning retracts with minimum audible distraction.

mx - 770 | 870

Small format. Big impact.

A round matter

Using the markilux 770 or 870 you can shade up to 450 × 400 cm in a stylish matter and enjoy the comfort and quality of markilux for many years to come.
